6. IMPLICATION

- **Churchill Park (Youth)** becomes:
 - Youth-dominant
 - High-energy
 - Central rally environment
- **MZC (Adults)** is:
 - Adult-heavy
 - Leadership-focused
 - Logistically controlled and structured
- **Kids Venue** becomes:
 - Dedicated children's environment
 - Safety-critical
 - Program-specific and highly supervised

Each category is pre-balanced across venues so no single church tier overwhelms a site.

7. IMPLEMENTATION

Registration system rules:

- Every registration selects:
 - Category
 - Age group
- Venue is **auto-assigned based on matrix**
- Each cell auto-locks when full
- No manual overrides without Executive approval

This matrix should directly drive:

- Digital registration caps (auto-lock per cell)
- Badge colour-coding (Adult / Youth / Child)
- Venue zoning (Churchill Park / MZC / Kids Venue)
- Safety & security ratios
- Catering & sanitation planning
- Transport & volunteer rostering

Total System Seat Breakdown

- **Adults Venue (8,000 Total Capacity):**
 - **6,500 Seats** allocated to Local Fiji Churches (Capped at ~47.7% per church)
 - **1,000 Seats** reserved for Overseas Adults
 - **500 Seats** reserved for VIP / System Buffer
- **NextGen Venue (12,000+ Total Capacity):**
 - **6,679 Seats** allocated to Local Fiji Youth (100% capacity accommodated)
 - **500 Seats** reserved for Overseas Youth
 - **5,000+ Seats** remaining for Kids Ministry & Uncapped Expansion

Overseas Delegates

- Clear demarcation those that have pledged and that haven't.
- Churches with MOU, allocated the same numbers as categories according to the amount they gave.

Kids:

Numbers - 11,607
